3. Billing and Payment: Billing and payment shall be pursuant to the Master Agreement, except that payment terms for any fuel re-bills will be net 15 day terms.
4. Early Termination: Early termination of this Charter may occur as follows:
 - (a) In the event of a total or constructive loss, or seizure of the Vessel, the Charter will terminate immediately;

4/10/2012

In the case of termination under this section, CHARTERER will owe no further obligations to OWNER other than the obligation to pay all undisputed amounts due for services rendered as of the date of such termination; however, early termination of a Charter will not relieve either Party from their respective obligations under the other provisions of this Charter or the Master Agreement.
